EL ALTILLO INTERNATIONAL SCHOOL

El Altillo International School's ideology is based on the principles of **inspiring excellence**, **creativity** and an **open mind** towards a multicultural, global world and the important challenges of the 21st Century.

AMAZING LEARNING

Its mission is to offer a unique and incredible educational experience to each student - what they call '**Amazing Learning**': the ability to improve day by day and be amazed at the levels of learning reached, no matter what their starting point is.
